

Removal of an Independent Democratic Ticket to be Placed Before the Voters of that City.

(From the Sunday Budget.)

There is some talk of an independent ticket being placed in the field for county officers, in opposition to that which was nominated by the recent Democratic county convention. Some of the most prominent citizens of the county are spoken of in connection with the ticket. A large number of the voters express themselves as being in sympathy with the independent movement, and avow their intention to support the ticket, if one is put in the field. The following is a list of the gentlemen spoken of as candidates: Capt. Alex. Melchers, for sheriff; Dr. B. M. Bebb, for coroner; Hon. G. W. Dingle, for probate judge; Mr. S. J. L. Matthews and Mr. J. D. Murphy for county commissioners.

There are conflicting rumors afloat as to the candidates for the other offices. It is said that the nominee of the convention for the position of school commissioner will be endorsed. Mr. F. L. M. Huggins's name has been mentioned for the position, while others say that he would decline to run for the place, as he is a candidate for the House of Representatives on the ticket nominated at the county convention.

There are numerous young men spoken of for Representatives to the Legislature, some of them the shrewdest business men in this city.

CAPTAIN MELCHERS INTERVIEWED.

A Budget reporter called on Captain Melchers yesterday to learn something about the report of his leading the ticket.

"Honestly I don't know anything about it."

"Haven't you been asked to go on the ticket?"

"I have heard a rumor of an independent ticket being placed in the field, but I know nothing definite about it."

"If you were asked to go upon the ticket, would you consent to do so?"

"I would certainly decline. But if a sufficient number of the substantial citizens of Charleston were to come out in one of the papers of this city and pledge their support to an independent ticket and I were requested to go upon it, I would then, perhaps, consider the question favorably."

WHAT MR. DINGLE SAYS.

The reporter tried to enter into a discussion with Mr. G. W. Dingle on the subject of the independent ticket. Mr. Dingle was not much inclined to talk.

"Well, yes, I have heard something of the sort, but can't say anything in regard to the matter positively."

"You will be on it if there is such a ticket, will you not?" asked the reporter.

"Yes, I suppose so. I don't know exactly who will be on the ticket. I have heard it talked about. Good morning."

And there the information stops. There is "something in the wind." All future developments, if there be any, will be duly chronicled by this office.

Two Miles a Minute.

Fancy travel at the rate of two miles a minute over an incline of polished ice, with an eighteen inch toboggan for a carriage, a pretty girl for a bon comrade and a pair of electric bells hanging overhead like harvest moons. Recall the sensations of being in love or a hot bath, remember the details of your first merry go round, the immediate influence of champagne, chloroform or any other delicious intoxicant, and you have a faint, very faint idea of the positively delightful sensation that a fly down a toboggan slide produces. In the decent one seems to lose consciousness; the route lies between earth and sky; you have your heart at your tongue's end, and when the bottom of the slide is reached it is with "shooting spurs," tingling blood and flaming spirits. You feel as though you had at last reached the acme of enjoyment; that life was a dream, earth a vision and tobogganing the boss game. — Inter Ocean.

Adger College Burned.

WALHALLA, Oct. 22 — At 12 M. today the Adger College building was discovered to be on fire. The citizens formed bucket brigades and made strenuous efforts to subdue the flames, but all to no avail, and the building was totally destroyed. The origin of the fire is not known. The building was uninsured. The loss is estimated at between \$5,000 and \$6,000.

A Marriage Really Provoked.

SANDY SPRINGS, Md., Oct. 24 — Prof. Wm. Taylor Thom, editor of the Evening Telegram, and Rebecca Miller, daughter of Benjamin Miller, were married yesterday at the home of the bride's parents at Mount Airy, near this place. The ceremony was performed according to the usages of the Society of Friends, and there were 117 signers to the marriage certificate.

The spider-legged tables now fashionable are blessings to brides. They set fragile and ugly wedding gifts upon them, and some Pardigle of a visitor is fairly certain to upset the table and break its load, and when this is accomplished, the table can be set away in the general refuge for ugly things, the guest's bedroom, and happiness will reign every where.

The street car of the future may be run after more scientific principles; but the street car of the past is run after more eagerly now.

SIMMONS' LIVER REGULATOR.

Its peculiar efficacy is due as much to the process and skill in compounding as to the ingredients themselves. Take it in time. It checks diseases in the outset, or they are advanced will prove a potent cure.

No Home should be Without It.

It takes the place of a doctor and costly prescriptions. For whose benefit?

Constitution, Headache, Biliousness, Piles and Mental Depression. No loss of time, no interference with business while taking. For children it is most innoxious and harmless. No danger from exposure after taking. Cures Colic, Diarrhea, Bowel Complaint, Feverishness and Feverish Colds. Invalids and delicate persons will find it the mildest, most agreeable and most effective remedy. A little taken at night insures refreshing sleep and a natural evacuation of the bowels. A little taken in the morning sharpens the appetite, cleanses the stomach and sweetens the breath.

A PHYSICIAN'S OPINION.

"I have been practicing medicine for twenty years and have never been able to put up a vegetable compound that would, like Simmons' Liver Regulator, promptly and effectively move the liver to action, and at the same time aid (instead of weakening) the digestive and assimilative powers of the system."

L. M. Hinton, M.D., Washington, Ark.

Marks of Genuine: Look for the red Trade-Mark on front of Wrapper, and Seal and Signature of J. C. Zeigler & Co., in red, on the side. Take no other.

If You Are Sick

With Headache, Neuralgia, Rheumatism, Dyspepsia, Biliousness, Blood Humors, Kidney Disease, Constipation, Female Troubles, Fever and Ague, Sleeplessness, Partial Paralysis, or Nervous Prostration, use Paine's Celery Compound and be cured. In each of these the cause is mental or physical overwork, anxiety, exposure or malaria, the effect of which is to weaken the nervous system, resulting in one of these diseases. Remove the cause with that great Nerve Tonic, and the result will disappear.

Paine's Celery Compound

Jas. L. Paine, Springfield, Mass., writes:—"Paine's Celery Compound cannot be excelled as a Nerve Tonic. In my case a single bottle wrought a great change. My nervousness entirely disappeared, and with it the resulting infection of the stomach, heart and liver, and the whole tone of the system was wonderfully invigorated. I tell my friends, if sick as I have been, Paine's Celery Compound."

We are the sole manufacturers of this delicious and healthy beverage, which after having been analyzed by all the eminent chemists in Atlanta, Ga., during "Prohibition" and after the most searching scrutiny for traces of alcohol, was allowed to be sold free of State and city license, and so also more recently after further analyzing in Florida. It fills a long felt want for a stimulant and appetizer that is not intoxicating; pleasant to the taste, contains nourishment and specially suited for persons of weak and delicate constitutions. It has the taste of lager beer of the finest flavor; besides, to add to its purity and medicinal qualities, is specially made of our celebrated world renowned original Artesian well water.
